

## Kentucky Medicaid Hospital Year 2 Meaningful Use Attestation

Please note that you must attest through the Kentucky Medicaid State Level Repository to initiate your Medicaid Year 2 Meaningful Use incentive payment. While Kentucky Medicaid does “deem” your completed Medicare Meaningful Use as the basis for your Medicaid MU, your completion of the Medicare attestation does not automatically trigger your Kentucky Medicaid attestation.

Start the process for your second year payment by initiating your attestation through the Kentucky Medicaid at:

<https://apps4.chfs.ky.gov/kyslr/>

If you have any questions, please contact Kentucky Medicaid via email at:
